23rd International Conference on Methods and Models in Automation and Robotics

August 27-30, 2018
Amber Baltic Hotel
Miedzyzdroje
Poland

MAIN TOPICS

Identification, modelling and simulation
Signal processing
Control and systems theory
Robotics
Intelligent systems and methods
Control systems

DEADLINES

5 March   Deadline for full paper submission
21 May    Notification of acceptance
2 July    Camera-ready paper submission
